INCIDENT NARRATIVE

OFFICER'S DESCRIPTION

The female guest, Chartel Ross, attempted to strike a male guest, who moved to avoid the blow. The two engaged in a verbal altercation, during which the female guest demanded to know why the male guest was in the company of another female guest. The male guest attempted to explain that the other female guest was not his companion but rather a member of a group he was attending the event with. The verbal altercation continued briefly, after which all parties departed the area separately.

GUEST ACCOUNT OF INCIDENT

The guest, Chartel Ross, stated: She said, "How can you do this to me? How can you do this to me?" And she started to cuss.
